Dear Ms Eggington,

Many thanks for your response together with the clarification and guidance for form 17 (instead of 16).

We will be uploading it to the application file already submitted, however as a matter of expediency I hereby attach a copy of it in pdf as you suggested.

I also attach the information that I had sent you twice but never reached you. Block/Site Plan with dimensions to the boundaries and page 2 of the D&A Statement.

I will contact you on Monday just to make sure you have received this email and whether what is contained is satisfactory.

If the amendments-hereby attached - to the Design & Access Statement are satisfactory, I will replace the respective page and reissue (upload the revised version of it)

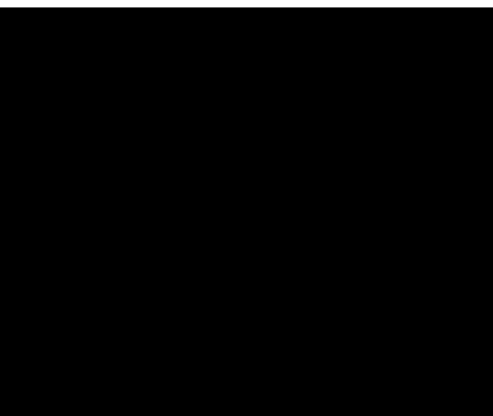

Thanks for your cooperation.

Regards,
milton
