Pagham Parish Council considered the following application at a meeting of its Planning Committee held on 30th April 2019.

P/37/19/PL – 10 Harbour Road, Pagham PO21 4TG – Demolition of existing structures and the building of a new modern family home. **RESOLVED: to OBJECT to the proposals. The Committee considered the plans were contrary to Policy D DM4 of the Arun Local Plan 2018 in that it represented overdevelopment of the plot resulting in an overbearing effect on neighbouring properties. The proposals significantly increase the building footprint when compared to the current property.**
