Pagham Rd Pagham Parish

Dear Officer for the above, I do not have full detail, but would like to record my objection , due to no footpath provision, increase in traffic on an already very busy road, no infrastructure to provide for such a number of people. It amazes one that the number of caravans can be permitted under permitted development, and if so they should only allowed to be physically sited for the period they are allowed to be used.  
Thank you for your attention. A & S Everett
