Dear Mr Crowther

Ref P/38/19/PL - Year round retention of Seasonal Worker Accommodation

On behalf of the residents located around the Newey site I would like to request an extension to the consultation period for this application. The newly formed Residents Group has met to discuss the application and have decided that we will employ our own Planning Consultant and carry out an Ecological Survey, plus whatever else is deemed necessary. For this we will need more time.

Our apologies for not making this request sooner, however, as you may already be aware, the yellow notice put up by Mr Davis disappeared, and only re-appeared on the telegraph pole after the first Parish Council meeting was over, so we have lost time.

We also understand that there is to be a meeting on site on the 12th, so would ask that a couple of representatives from our residents group are allowed to attend?

Many thanks & I look forward to hearing from you.

Yours sincerely
