Dear Sir/Madam,

Proposal: Extension to existing agricultural barn. This site may affect the setting of a listed building & is in CIL Zone 5 (Zero Rated) as other development.

Site: P/38/21/PL: - Little Seftor Farm, Pagham Road, Pagham PO21 3PX.

Thank you for your letter dated 18/03/2021.

The Council's technical staff and the relevant authority for land drainage should comment on the adequacy of the proposals to discharge surface water to the local watercourse.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX
