Details of the pre-application advice received

Initially it seemed that the proposed floor area was greater than the guidelines. However, after discussions with Hannah Kersley her view was that each proposal is dealt with on a case by case basis. It was also indicated that the impact of the proposed extension on the immediate environment would be minimal as the extension would be barely visible from the street and is substantially screened from the nearby properties. In which case this may be viewed favourably.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
