Good Morning Raymond,

Further to your email below, I can confirm agreement to an extension of time in which to determine the WW2 Infantry Section Post Written Scheme of Investigation until 26 June 2020.

I would be grateful if you could also provide me with an update on progress with the remainder of the conditions under ref. P/40/20/DOC. Can you advise which conditions you would be in a position to discharge and whether further information is required to discharge conditions.

Please let me know if you should require any further information for the Committee meeting.

Just to provide you with a brief update on the Design Code, I will be submitting a revised Design Code this week, apologies for the delay.

Kind Regards
Hardeep

Dear Hardeep

I refer to your application (P/40/20/DOC) for the approval of details reserved by conditions. You are likely to be aware, from the Minutes of the meeting of the Development Control Committee held on 9 October 2019, that the details of a statement of how the WW2 Infantry Section Post would be retained on site and integrated as part of the proposals are required to be considered by the Committee, rather than be determined by officers under delegated powers. A report is currently being prepared to enable the matter to be considered by the Committee at a (virtual) meeting to be held on 24 June 2020. As the period within which the application is due to be determined expires tomorrow, I have been asked to request an extension of the time period until Friday 26 June 2020. Please could you let me know if your client is agreeable to this extended period?

Regards
