Good afternoon,

Having reviewed the comments submitted by the applicant (attached, dated 09/06/2025), I am now satisfied that the proposed development would not prevent or prejudice the continued operation of the safeguarded waste infrastructure, as required by Policy W2 of the WSCC Waste Local Plan (2014).

Therefore, the MWPA would offer No Objection to the proposed development.

I have attached our original response for reference.

Kind regards,

Edward Anderson
