Dear Neil Crowther,

Following your letter dated 15th May 2020 with regards to application P/42/20/HH, please see attached the following:

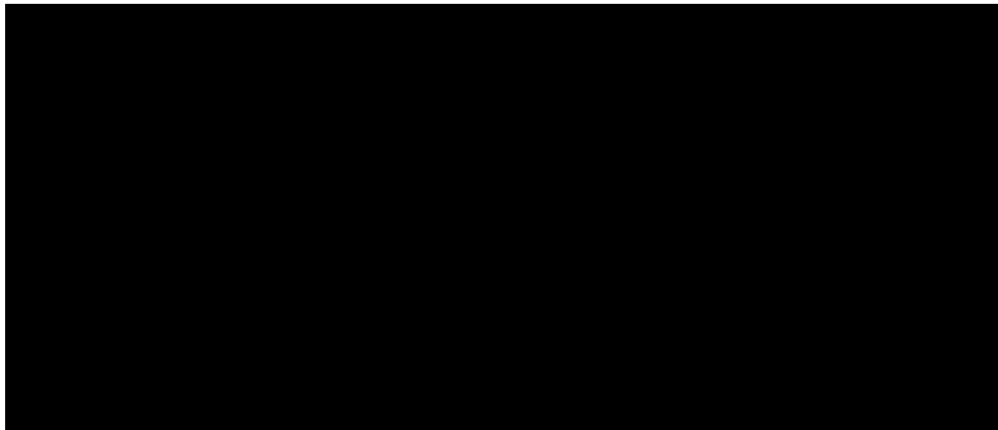

1. Updated Block Plan with requested dimensions from the proposed extension to the site boundaries.
2. Flood Risk Assessment - Please find attached FRA form which I have downloaded from the Arun council website. In terms of details for flood proofing, I have included pictures of the flood bunding which was granted by the LPA and rebuilt back in 2000. The flood defence bond protects the north boundary of the site from the Pagham Rife. The application search facility on the Arun website is quite limited but there should be records of the approved bund application within the councils archives.

I can also confirm that floor levels within the proposed extension will be set no lower than the existing internal floor level.

3. Completed CIL form.

I trust this is all that is required but if you have any queries please do not hesitate to contact me.

Kind regards,
