Dear Murray,

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Approval of details reserved by condition imposed under P/30/19/OUT relating to conditions 5-schedule of materials and finishes, 10-surface water drainage, 11-discharge flows to watercourses, 12-maintenance and management of surface water drainage system, 14-foul drainage system, 15-external lighting, 16-Construction Management Plan, 22-existing vehicular access onto Sefter Road and Pagham Road have been physically closed, 23-plans and details and timetable for installation of dwellings, 24-pedestrian and cyclist access points, 27-Broadband provision, 29-enhancement of existing hedgerows for use by bats and 33-Electric Vehicle Charging Strategy.

Land North of Hook Lane Pagham PO21 3PD

Notification regarding the above application:

Condition Number 12

Development shall not commence until full details of the maintenance and management of the surface water drainage system is set out in a site-specific maintenance manual and submitted to, and approved in writing, by the Local Planning Authority. The manual is to include details of financial management and arrangements for the replacement of major components at the end of the manufacturer's recommended design life. Upon completed construction of the surface water drainage system, the owner or management company shall strictly adhere to and implement the recommendations contained within the manual.

Reason: To ensure that the proposed development is satisfactorily drained in accordance with policies W DM1, W DM2 and W DM3 of the Arun Local Plan. It is considered necessary for this to be a pre-commencement condition to ensure that the future maintenance and funding arrangements for the surface water disposal scheme are agreed before construction commences.

Decision:

Arun District Council have decided to **REFUSE details reserved by condition for the following reasons:**
Insufficient information has been provided to determine this application for discharge of Condition 12. It

is recommended that the applicant consult the Arun District Council Drainage checklist for further details expected to be provided in support of discharge of condition applications.

Full comments from our drainage engineers can be found on the Arun District Council website.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
