Dear Mr Nicholson,

REF: 12 BRIDORLEY CLOSE, PAGHAM - P/87/08

Further to our recent telephone conversation, please find enclosed a revised drawing for the above project which we submit in respect of the non material amendments required to the consent.

These can be identified as follows:

Velux Windows - The two velux windows on the flank elevations have now been included on the revised drawing enclosed.

Garage Location - The relationship of the garage building to the boundaries (as constructed) is now accurately represented on the revised drawing enclosed.

We trust that the enclosed will meet with your approval, however please do not hesitate to contact me should you require further information.

Yours sincerely,
