Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/43/25/PL
Site Address: Land to the west of Inglenook Hotel 255 Pagham Road Nyetimber PO21 3QB
Description of works: Demolition of existing storage buildings and the erection of 6 No dwellings and associated works. This application affects the setting of listed buildings, is a Departure from the Development Plan and is in CIL Zone 5 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 26th May 2025 which has been recorded as an objection with the comments as follows:

OWPC76797

My husband and I bought our house in Platinum Gardens two years ago as we believed we were buying on a small development with no through road. I am very upset with the plans to grant access to the new proposed site through Platinum Gardens. We purchased our house because we liked the idea of raising our child in a quiet development. As it stands, there is hardly space for one car to pass through and it will be a blind corner. Not to mention the increase in traffic past our house. This drastically changes the feel of our home and the safety aspect out the front with our toddler due to increased traffic and a blind corner. It seems unreasonable to expect platinum gardens to grant access when the Inglenook hotel could grant access through their turning which already exists. (They are selling the land after all)

I am also saddened by the idea that even more wildlife will be destroyed to cram in more houses. We have a multitude of birds, bats, foxes and bees nests in the trees and fauna next door to us on that site, which had been left to grow beautifully.

Your views as made above will be considered before the application is determined.
