Spinnaker view is a private road which is maintained by a yearly maintenance charge by residents for all aspects including road damage, if lorries and other vehicles are going to use this road for access to building site should residents of spinnaker view and platinum gardens be informed about this prior to an application being submitted. Spinnaker view has inadequate parking for residents and visitors as all spaces are taken and we find platinum gardens do use all spaces as well as they have limited parking areas.

Your views as made above will be considered before the application is determined.
