Dear Clint,

Thank you for your voice message. I have been away for 4 days and there are no updates. I am minded to support the proposal. However, as a result of high caseloads across the team, your application is likely to take longer than the standard 8 weeks. At present I am advising applicants that I will likely need an extra month.

Kind Regards

Dear Mr Clements,

Further to our telephone conversation about you wanting a joint site visit on a Wednesday, I am coming out this afternoon and wanted to let you know. I have tried your mobile but get an Out of Service error. I am aiming to leave Littlehampton at 2pm and am going to do two visits in Felpham then head to Pagham so should be there 3-3.30pm. If you can advise your client, that would be helpful but I will still try anyway as I need to put up the site notice.

Kind Regards
