Subject: RE: Land to the rear of Meadowsweet Summer Lane Pagham

I have spoken to Drew Smith today they have no intension of sorting the connecting ditch out at the rear of my land. Paul Cann has stated to me by e-mail that the ditch is not fit for purpose, because you and your boss went against his advice and you changed the clause in the final permission there is now no suitable drainage system for the site. When it rains like last winter, Mill Farm and houses near by are at risk of flooding.

I strongly object to the site hours being changed as per PL/46/20/PL as I live next door and shouldn't have to put up with the noise all day all evening and all weekend. I do suppose you will take any notice of my objection as you have supported any ones views from Pagham during this whole process.

Please post this.

Thanks Len
