Hi Simon,

In response to the above application, Environmental Health can confirm that at the time of reply, there are no current, relevant investigations in relation to the above site.

It is noted in the Extended Hours Management Plan that the applicant states no heavy plant/machinery or noisy tools will be operated beyond 18.00 hours and that deliveries to the site will be between 08.00 hours and 17.00 hours. It is not clear whether the latter also applies to materials being removed from site.

Please note that if this amendment were to be granted, the approval does not in any way indemnify against statutory nuisance action being taken should substantiated complaints within the remit of the Environmental Protection Act 1990, be received.

Kind regards,

Kate.
