Dear Sabine

Further to our meeting on Tuesday I have been able to discuss the extensions at the above site with Nik Antoniou (Head of Development Control) and we have discussed the points you raised and looked through the plans which identify the different schemes and of most importance the revised scheme.

He has agreed with both Jon Parsons and myself that the proposed amendment with the reduction to roof height, width, roof lights etc would be an acceptable scheme to overcome the previous reasons for refusal. As such we suggest that an amended planning application could be submitted to be reconsidered.

I hope this is of assistance to you, however should you have any further questions please do not hesitate to contact me in return or on the number below.

Kind regards
Peter
