Proposal: Application for variation of condition no's 28 & 29 imposed on planning permission P/125/14/PL for the relocation of reptiles to an off site receptor site.

We are happy with the proposals to amend the reptile mitigation strategy and to translocate the reptiles to an off-site receptor site at Brook meadow Local Nature Reserve. We require confirmation however that the wildlife buffer onsite will still be retained within the scheme and habitat improvement works should still take place within this area to provide suitable habitats for wildlife including reptiles.

Kind Regards

Liz
