Re: ENF/624/10 94 Harbour Road, Pagham.

Dear Mr Sullivan,

Please find enclosed new Planning Application for the decking as requested in your letter dated 20th May 2011. The decking was created as a means  access to the dwelling, which was required as part of the Building Regulations submission.

The original planning drawings do not show the decking in its current form, but they do make reference to an area of raised decking to the rear, as shown on the approved elevation drawings.

Due to the amenity space of the dwelling being mostly laid to shingle, the decking provides necessary amenity space for wheelchair users, and we hope that you will look favourably on our retrospective application.

Yours sincerely,

Nicholas Wood
(On behalf of Tamarisk Properties)
