Dear Sirs,

Proposal: Application for approval of matters reserved by conditions imposed under P/84/16/PL relating to conditions 3- Foul water drainage scheme, 4- Surface water drainage scheme, 5- Site safety plan, 7- Implementation of a programme of archaeological work, 8- Golf Course management plan, including mitigation & 9- Details of placement of nesting opportunities for birds.

Site: Church Farm Holiday Village, Church Lane, Pagham, PO21 4NR.

P/49/17/DOC

Thank you for your letter of 02/06/2017.

Southern Water would have no objections to discharge condition 3 relating to foul drainage. An approval for the connection to the public sewer should be submitted under Section 106 of the Water Industry Act.

Due to the vibration, noise and potential odour generated by sewage pumping stations, no habitable rooms should be located closer than 15 metres to the boundary of a proposed pumping station site.

The Council's Building Control officers/technical staff and the environment agency should be consulted regarding the discharge condition 4 for surface water disposal.

Southern Water would have no comments to make with regards to other conditions being subject of consultation.

Yours sincerely
