Mr S Davis

19th June 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

2 storey infill extension to front elevation & 1st
floor infill extension to rear elevation.

39 Conway Drive Pagham

Thank you for your internet representation made on 18th June 2018 which has been recorded as '**an objection**' with the comments as follows:

The proposed front extension to this townhouse is completely out of character with the adjoining properties. Permission to extend this property at the front would set a precedent which should not be allowed. They were designed to look like individual properties not terraced. Garages in this development

have already been turned into extra rooms, including this one and owners cars are now forced to park on the roadside. This application would only exacerbate the situation. At the moment these are good looking properties and the proposed unnecessary changes to the front would only make them look awful. Common sense should not allow the proposed changes to go ahead.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
