Dear Steve,

I have not received the photographs you said you would send.

I have had a conversation with my team leader about the extensions and we feel that we can support them only if the new front extension is set at least 1m back from the existing front (at both ground & first floors). Please can you raise this with your client and advise whether he can agree to this change.

Kind Regards

Dear Steve,

I attempted a site visit yesterday but no one was home so I couldn't gain access to the rear. I wonder, do you have a few photographs of the rear of the property which I could have for my records. I would not then need to come back out. If not then I'll need to arrange a time next week to re-visit.

Kind Regards
