Thanks Simon.

To simplify things in planning terms, the two spaces can be maintained as shown below and the turning area maintained in front of the garage, with the 1-2 additional spaces provided inside the garage.

Subject: RE: Kings Beach Garage - P/49/19/PL

Dear Thomas,

I have just had a look and I don't consider that any conditions will be imposed that could affect the garage. The only one I am thinking would be a variation of condition 7 on P/4/18/PL which requires that parking spaces are retained at all times for parking (vary it to refer also to garage spaces)

Kind Regards

Thanks for coming back to me Simon.

If there are no objections and the application is likely to be approved, if an extension is required we may need to start works prior to approval. Do you anticipate whether there will be any conditions or anything which may affect the garage?

Thanks for your assistance.
