Dear Sir/Madam,

**The Town & Country Planning Act 1990 (as amended)**  
**Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6**

Application No: P/49/21/RES  
Site Address: Land North of Sefter Road & 80 Rose Green Road Pagham  
Description of works: Application for the approval of Reserved Matters pursuant to condition 1 (Reserved Matters details), condition 6 (Design Code Masterplan) & condition 7 (landscaping & layout details) following the grant of P/134/16/OUT for the erection of 250 No. dwellings, (including affordable homes), replacement scout hut, land for an Ambulance Community Response Post Facility, demolition of No. 80 Rose Green Road & provision of Public Open Spaces including associated children's play areas, landscaping, drainage & earthworks (resubmission following P/24/20/RES). This site also lies within the parish of Aldwick.

Thank you for your internet representation made on 20th October 2021 which has been recorded as an objection with the comments as follows:

OWPC41345

I object on the grounds that there is no provision for additional school or doctors. How will the existing schools cope with an influx of children, likewise GP services. The local road B2066 is already over used, floods regularly and gets heavily congested  
I also object that agricultural land is being used when we should be preserving this for future food production. I believe the government now advocates that green field and agricultural land should be preserved.

Your views as made above will be considered before the application is determined.
