Morning Stuart,

We now have the groundwater monitoring results, carried out between Jan and June 2020 for Pagham. Hopefully they prove useful, sorry for the delay in sending we have been chasing for months for these!

Many thanks

Andy

I am pleased to say we did indeed carry out the groundwater monitoring on Pagham.

Please find attached the results from this year.

The boreholes relate to the locations in the previous Ashdown report.

The results are all the way through to June this year.

I trust that this settles this point.

Kind regards

Joe J N Godfrey MRICS
