Hi Caroline,

Thanks for your email and sorry for the delay in responding.

I note and accept all of the points in your email of 13 April 2018.

I am unable to make any promises re a decision by the 30<sup>th</sup>. I have scheduled time to do the report on this Wednesday afternoon and I should then have additional time free on Thursday but these are also dependant on nothing distracting me.

Kind Regards

**Importance:** High

Hi Simon

Many thanks for sending through the updated ecology comments, that's good news.

Please can you confirm that you are happy with everything in my email attached and that we are still likely to receive a decision by 30<sup>th</sup> April?

Re drainage, the applicant would like to proceed on the basis of a condition please.

If there are any outstanding matters that have not been resolved please can you let me know ASAP and before finalising your decision.

Many thanks

Caroline
