Mt Cole

Thank you for this latest validation letter which is not accepted as there is no legal requirement to readvertise the application and at no time have you previously advised me that the application was no longer considered to be valid as originally stated in your letter dated 19 January 2021 .

If the application has not been determined by 11 March 2021 I will be appealing against the councils failure to determine the application within the statutory determination period which according to the original validation letter dated 19 January 2021 will expire on 11 March 2021

Either refuse or approve under delegated powers but either way stop faffing around and get on with it!
