Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/50/21/PL
Site Address: Land West of Hook Lane and South of Sefter Road Pagham
Description of works: Change of Use of Agricultural Land to Public Open Space. This application is a Departure from the Development Plan and is within Strategic Site SD2, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 15th April 2021 which has been recorded as support with the comments as follows:

OWPC35077

I Support this application on grounds of the need to preserve and protect sufficient open space in the area for the community and its natural and ecological environment, and because of the lack of necessary and critical wastewater treatment, highways and the provision for cyclists and pedestrians, and medical services were this land area to be otherwise consumed for the purpose of housing development.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your

representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely
