Dear Mrs Donaldson,

As there have been seven letters of objection regarding this application then it will have to go before the Development Control Committee Members on the 28<sup>th</sup> August 2013 who will make a decision.

The objectors will be notified of this when the Committee Agenda is prepared which is in a couple of weeks.

Regards

Dear Ms Chapman

Many thanks for your email.

Please could you advise me of the outcome of the above planning application, taking into account the objections raised as to the lack of privacy that would arise from the dormer windows to the rear of this bungalow at 9 Shirley Close. You mentioned the height of the garage but not the lack of privacy in the gardens that would ensue to the residents of Eastmead if the dormer windows are built.

Again, many thanks for your help in this matter.

Dear Mrs Donaldson,

The application is still current. We have received substitute plans which have reduced the height of the garage and this will have to be re-advertised and all previous reps notified of the amendment.

I hope this clarifies the current position.

Hello

I am contacting you on behalf of my son, Graham Donaldson, who lives at 4 Eastmead Pagham. I believe a number of objections have been raised to this planning application as the dormer windows to the bungalow at 9 Shirley Close would overlook gardens to the bungalows to the rear in Eastmead, therefore denying any privacy.

Could you please advise me the up-to-date position and whether this application is going to Committee or not.

Many thanks for your help in this matter.

Jean Donaldson (Mrs)
