Pagham Parish Council would like to submit the following comment in respect of P/51/21/HH

The Parish Council has NO OBJECTION to the proposed development. However, members of the Committee were concerned to ensure that the occupants of Kings Drive who would be most affected by the development had been made aware of the application. Members of the Committee visited the area and found no notices advertising the application. It is important to ensure the neighbours to the rear of the property have the opportunity to comment due to the scale of the proposal and proximity of properties.

Best wishes

Clerk & RFO
