Dear Mr Collins.

I am not responsible for any of P/167/21/RES,P/158/21/RES,P/155/21/RES,P/153/21/RES P/167/21/RES and so these should instead be discussed with the case officer Mr Easton.

It is our intention to determine by the due date.

Kind Regards

Dear Mr Davis

Thank you for your e mail confirming your acceptance of my revised description. However I note that you have added the words; ***This site may affect a Public Right of Way and is in CIL Zone SP2 (Zero Rated) as other development*** to my description and I therefore assume that for the purposes of consistency you will now add the same words to the descriptions used for undecided applications  
P/167/21/RES,P/158/21/RES,P/155/21/RES,P/153/21/RES P/167/21/RES which relate to the same sites and may affect the same PROW?

I would also appreciate your response/confirmation to the last paragraph of my e mail below as this is no more and no less than the same courtesy that ADC Officers have extended in writing to the applicants in respect of the above applications for the site.

Please also place this e mail trail on your web files

Thank you

Paul Collins BA (Hons) DipTP
