Dear Simon,

Many thanks for consulting Natural England on the abovementioned application, however due to ongoing delays with our central Hub processing incoming consultations, there has been a significant delay in this consultation reaching myself. Given that Natural England have provided a number of comments on different applications at this site, it is one that we would welcome the opportunity to comment on.

As such, I would kindly request an Extension of Time until the 20th May so that we can provide any further comments relating to this specific application.

Many thanks in advance,

Luke Hasler
