Date 22/july/2019

Dear Sir/Madam,

OBJECTION to this plan,

I live almost opposite the Inglenook hotel, many, many, times I have seen cars reversing back
Onto the Major Pagham road, because as cars start to drive down, they meet a car coming out,
There is a sharp bend to the right which makes it impossible to see, some years ago my
Granddad was driving down there as he turned the bend there was a car coming out, the driver
Would not go back, so he made my granddad reverse all the way back onto Pagham road,
And you will get drivers like this, there's no control down here from police, traffic wardens,
People parking on double yellow lines, when the inglenook has weddings it's chaotic, even parking
On the pavement near hotel kitchen.

Please don't agree to this plan.
