Mr A Dyson

25 Millfarm Drive

Pagham, Bognor Regis,

West Sussex PO21 3UE.

Dear Sirs,

I make this objection to the widening of the side entrance, I am now 89. on my way to the Zebra crossing, I now have a new development which I have to cross, this new widening almost Side by side and cars coming in and out at all times will make it harder for me, not walking well, Looking down the path it looks very narrow; I would not like to walk down there with cars Coming in and out, there is also a side entrance to hotel, with the outlook if agreed of big homes 9 in fact, large families, all using the same small path looks very dangerous, let's hope no one get's Hurt, why always pack these small plots to the brim.

Yours,
