**Dear Sirs**

**Re: Planning Application P/53/19/L for Listed Building  
Consent for the Inglenook Hotel. Deadline for objections  
1<sup>st</sup> August.**

**I would like to object to this application for the following  
reason.**

**The Mill Farm Estate, (which borders onto the Inglenook  
Property) with 271 Homes, is predominantly owned by retired  
people, 9 of which will be overshadowed by the new  
Homes, this field for at least 24 years housed Horses with  
Stables, now face the prospect of 3 storey Houses, our  
homes are all Bungalows. To get to the local shop, and Bus  
Stop residents have to pass the car park for management of  
the Hotel/Pub, then the road leading to the rear of the  
Hotel/Pub, and then, just 11 meters past this junction, the  
new 2 way road leading onto the new housing estate, with the  
lay-by (which is in front of the Hotel/Pub) it becomes very  
dangerous., with the Bus Stop just opposite, eventually we  
arrive at the Zebra Crossing, which with luck gets us across  
safely, then into our local shop and Bus Stop .**

**Yours faithfully... Brian Longstaff**
