

PLANNING NUMBER P/53/19/L

Mr T J Hicks R V M.

19 Millfarm Drive.

Bognor Regis.

West Sussex, PO21 3UE.

25- July 19

Dear Sirs/Madam.

I have live here for approx 35 years, and I oppose the plan to make the entrance to Car park any wider, with the new build expected, this will mean just more cars, it is Bad enough now when the Inglenook hotel have weddings, and in the winter, venue Nights, such as tribute bands which are well attended with cars filling their car park Spilling onto the roads some on pavements, so many the paddock is used for the over Spill, now the horse has gone which was here for many, many years being replaced by New ones, once one died. This has never, been a brown field, once the Inglenook had Two weddings book on the same day, so there was a marquee for the second wedding on The paddock, The guest of the hotel because there's No room, park in the small car park over the road outside the small Tesco's causing havoc Over there, parking all day, so customers' have to drive on by.

Yours Truly,
