

160 Mill Farm Drive  
Pagham. (P/53/19/L) & (P/58/19/PL)

I would like to object to the development at the rear of the Inglenook. Don't you think that Pagham is congested enough. The entrance to the site is much too small even with suggestion of it being widened. How will pedestrians or mothers with prams cope with large vehicles driving in.

Yours Sincerely

MRS S RICHARDSON
