MRS LINDA JONES
14. MILL FARM DRIVE
BOGNOR REGIS
WEST SUSSEX
PO 21 3UE

Dear Sir/Madam

Planning Application P/53/19/L for listed Building
consent for Inglenook Hotel.

I wish to object to this application in respect
of demolition of chair store and realignment of
listed wall to allow safe access to a proposed
development at the rear of Hotel.

This application also refers to a separate planning
application but does not provide details N/NPF item 90

I myself do not drive a car therefore rely completely
on the safety of our Pavements in which I feel will
be jeopardised with another busy road to cross in
such proximity to the latest new builds we have
beside the Inglenook Hotel. With extra cars, vans
etc trying to gain access it can only be a
serious accident waiting to happen. This access
is a blind-spot for any vehicle or pedestrian

due to Cars, vans and lorries parked in the lay-by
and on double yellow lines outside the Hotel and
on the opposite side of the road, not forgetting a
busy bus stop.

Yours Faithfully
