Thank you for your internet representation made on 1st June 2022 which has been recorded as an objection with the comments as follows:

OWPC47869

i object to this application for the same reason i objected to previous ones.
there is a lack of need for this work to be carried out.
this development was given planning permission as a self contained project.
from the outset the developer has sought to change this basis plan with the support of the planning committee and council officials to the detriment of local residents.
