Subject: Pagham responses

Pagham Parish Council considered the applications below at a meeting of its Planning Committee held on 11th July 2017. It has the following comments to make:

[REDACTED]

6.2 - P/54/17/PL – Church Farm Holiday Village, Church Lane, Pagham. Extension of the occupancy period at Church Farm Holiday Village by one month to allow occupation between 1 March and 30 November in any year. **RESOLVED: No objection to the proposals however given the risks of flooding, particularly during the winter months, it is important that EA commitments to repair and reinforce the training wall at the harbour mouth and the community led sea defence scheme works are undertaken to reduce risks of flooding. Ultimately it is for the EA to be satisfied that flood defences are sufficient to protect the lives and property which are the subject of this application.**
