Subject: RE: P/54/17/PL - Church Farm Holiday Village [NLP-DMS.FID411440]

Hi Simon -- caught me just in time.

I am happy that there is low likelihood of statutory nuisance and would cover this under separate legislation in any case. I am concerned about adverse impact from noise on amenity and would prefer to address this now to avoid noise creep.

As the applicants are happy for the condition controlling noise outside the premises' boundary as suggested to be included, please go ahead on that basis.

Regards and thanks, Colin
