Dear Mr Davis

I am in receipt of your letter dated the 29/9/17, which we did not get until the 7/10/17 re Church Farm Holiday Village.

We tried to get on your web site news.gov.uk/planning to see the details of your decision, but we could not find any information on this matter.

Please explain in writing what your decision are and what conditions you gave Church Farm. Does this mean that we will still have coaches & staff

cars parked outside our
property.

Yours sincerely
