Hi Sian,

According to Arun District Council the property falls outside the Lidsey foul water catchment zone.

Please see Arun website here <https://www.arun.gov.uk/lidsey-foul-water>

And catchment map here <https://www.arun.gov.uk/download.cfm?doc=docm93jjm4n1180.pdf&ver=805>

However I can confirm that the proposed foul water drainage will be connected to the existing foul water drainage infrastructure.

Kind regards

Andy

Dear Mr Farr

Also upon opening your attachment it appears the second invalid point hasn't carried across to the letter. As the house is in a Lidsey zone please provide a short statement via email stating that the new drainage will connect to the existing.

Apologies for this error.

Kind regards

Sian
