Mr and Mrs Hyde,

Your frustration is understood.

We are required to display a site notice for at least 21 days and as unfortunately this was not as early in the process as it should have been. We can not proceed with the application until it has been completed. A decision will be made as soon after the notice has expired as possible.

Dear Mr Vick

Thank you for your reply, As regards Mr Bloomfield not displaying the notices surely that is not our fault we resubmitted the plans with the plans changed to take away the Upstairs and just have a single extension at the back with a flat roof, Not one of our neighbours have complained and we keep them updated with everything. We feel we have done everything correctly in submitting our plans through MR NORRELL and then to be told Mr Tim Bloomfield has already left Arun Council with no one picking up his work now leaving us with a further wait of 4 weeks. As mentioned we are in a very difficult situation with future living accommodation until work can commence and finish. We are just finding it difficult to understand why we were not informed Mr Bloomfield had left and that someone else could have taken over the case. Hope you understand our frustration, We hope this can be sorted ASAP for us. Thanking you again for your reply

Regards
Dennis & Teresa Hyde
