Thanks Zoe

The applicant subsequently provided a more legible version of page 24 (copy attached). Please could you upload this at the same time (as a supplementary document)?

I can do another action sheet and send to planning.responses if necessary, but this e-mail might be more efficient.

Thanks

Hi Ray,

It looks like this email never made it to the sub-plan inbox. I will get this uploaded for you today.

Good morning. Not sure if this is still on your "to do list", in which case I apologise for chasing. The applicant has pointed out that it's not available on the website. If you could deal with it soon that would be great.

Thanks

Please could you upload the revised Design Code Document and covering letter to the application folder P/57/20/DOC and mark the previous version (Design Code Parts 1-4 and Parts 4 and 5) as superseded?

Thank you
