Please could you upload the following message to the application folder P/57/20/DOC confirming an extension of the time period in which to determine the application until 21 August 2020?

Thank you

Dear Raymond, it has occurred to me that I didn't respond to your request for an extension of time to determine the application to discharge condition 6. I can confirm that applicant agrees to extend the period until, as requested, the 21st August 2020. Kind regards Owen
