Dear Mr Cole,

RE: P/57/21/PL Land West of Pagham Road and Land South of Summer Lane Pagham

I am responding to this consultation on behalf of The British Horse Society, the UK's largest equestrian Charity representing the country's 3 million horse riders. Nationally equestrians have just 22% of the public rights of way (PROW) network, increasingly disjointed by roads which were once quiet and are now heavily used by traffic arising from development. This means that we need to ensure equestrian inclusion wherever possible where new or improved provision for non-motorised users is proposed.

We would ask that, in the event that the Council is minded to approve this planning application, a condition of the permission should enable the proposed Summer Lane to Honer Lane upgrade.

We would be very happy to work both with Arun District Council and West Sussex County Council in regard to this application.

Yours sincerely

Sarah Rayfield (Mrs.)
