Further to Andy Elder's consultation response, in which he confirms that he does not support the proposed mix of the affordable rented housing, I have subsequently agreed with Andy to revise the proposed affordable mix, as set out at paragraph 5.22 of my Planning Statement.

As such, I write to confirm that my Client is now proposing to provide x19 social rented (70%) and x8 intermediate (30%), as follows:

|     |                       |
|-----|-----------------------|
| x7  | 1 bed (social rented) |
| x12 | 2 bed (social rented) |
| x8  | 2 bed (intermediate)  |

I have copied Andy into this email as I know that he is shortly to go on leave for a couple of weeks, and I am hopeful therefore that by return he will be in a position to confirm to you that based on the above mix he raises no objection to my Client's application.

In the meantime, if I can be of any further assistance then please do not hesitate to contact me.

Kind regards

Amanda
