27th August 2015

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved for the erection of 90 No. dwellings with associated access & open space. This is a Departure from the Development Plan.

Land at Summer Lane Pagham

Thank you for your internet representation made on 27th August 2015 which has been recorded as '**an objection**' with the comments as follows:

Regarding the application to build houses off Summer Lane, i very much oppose the planning. Summer lane is a quite country lane and not adequate to take all the extra traffic. Building 90 houses will put more pressure on the already overflowing schools, doctors and dentist in the area. The exit from Summer Lane on to Pagham Road is a blind spot at moment, with added cars that will exit this junction an accident is sure to happen. With the plans to put a pavement on the other side of the road it will not make any different to the width of the already narrow road. Plus the electricity sub station could be in danger of being hit. Could the alternative be a road north of Summer Lane which would take the pressure off the exit to the Pagham Road and also the extra cars and lorries that will be using Summer Lane.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
