Dear Mr Davis

I have lived in Pagham for 40 years and I am writing in support of the planning application on Summer Lane in Pagham.

Pagham needs affordable housing for younger families who are unable to purchase the high priced properties within the area. After looking at the plans the houses are attractive and are well spread out with plenty of Green areas. The other plus is the amount of land they are prepared to give to the community for leisure. This is something that Pagham has lacked, certainly in my youth. Have people also not thought about the positive impact this would have on local businesses bringing more much needed trade to the local shops and public houses.

Pagham Road can be dangerous with parked cars, but I'm sure this was taken into account when The Mill and Mill Farm estate were given permission to be there? Even though there would not be enough parking spaces and they use Pagham Road and Downlands Close as a Local Car Park yet they are objecting it? I note in the Plans for Summer Lane there is plenty of additional parking which would avoid this.

I fully support it.

Kind Regards

Michelle Baker
